The Fat Daddy's Bar-B-Que mobile application ("the Fat Daddy's Bar-B-Que App") is owned and operated by Fat Daddy's Bar-B-Que. {merchant company contact details}, who are the controller of all stored data

PepperHQ Ltd operate as a processor of data for the Fat Daddy's Bar-B-Que App.

This policy, together with our MOBILE APP TERMS OF USE, explain how we may use information we collect about you, as well as your rights over any personal information we hold about you. Please read this policy and our MOBILE TERMS OF USE carefully.

Information we collect about you through the Fat Daddy's Bar-B-Que App.

We collect information about you when you:

- register to use the Fat Daddy's Bar-B-Que App;
- attempt to "check-in" to one of our stores;
- register your debit or credit card details;
- upload a profile photo, and
- use the payments facility in the Fat Daddy's Bar-B-Que App to pay for your purchase.

This information is collected, stored and processed under Article 6(1)(b) of the GDPR, "processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract" i.e. We need this data for you to be able to use the App for it's primary purposes.

Using your information

Collecting personal information in the Fat Daddy's Bar-B-Que App (name, email address, date of birth) helps us to better understand what you need from us.

We use your information to:

- improve the functionality and performance of the Fat Daddy's Bar-B-Que App;
- personalize our services to you;
- tell you about important changes to the Fat Daddy's Bar-B-Que App and related services, and
- manage promotions, competitions, customer surveys and questionnaires.

Your personal information is safe with us and will never be released to third party companies for marketing purposes.

The Fat Daddy's Bar-B-Que App captures your geographic location when you attempt to "check-in" to one of our stores. We do this to identify which store you are in or near to allow you to pay using the Fat Daddy's Bar-B-Que App, and to provide an enhanced visitor experience (for example, through digital loyalty cards). We will only capture this information with your consent. The Fat Daddy's Bar-B-Que App also captures basic usage metrics to help us identify any problems and to make improvements in the future. These metrics also help us understand how people use the Fat Daddy's Bar-B-Que App and how many people use the different functions within the Fat Daddy's Bar-B-Que App.

Your contact details and personal information may be used to send direct marketing messages to you via your contact details provided. This is done only with your explicit consent, which can be withdrawn at any time from the 'MyAccount' options within the app. You may refuse consent for marketing messages without detriment to any other areas of functionality within the app.

Information We Capture

Geographic location

We provide enhanced store visit experiences when you choose to "check-in" to one of our stores and allow you to pay using the Fat Daddy's Bar-B-Que App. You may prevent the Fat Daddy's Bar-B-Que App from accessing your device's location services, or turn off the location services of your Mobile Device. Doing so will impact the capability of the Fat Daddy's Bar-B-Que App and prevent you from enjoying an enhanced experience.

Data you share with us (Including information you give us when signing up, and information which is shared automatically, such as Device ID, and IP address)

We use this data to log you in to the Fat Daddy's Bar-B-Que App and it helps us understand our customers better and present you with appropriate offers and promotions. Your data is stored in an encrypted database and transferred over a secure network connection. You decide which data you do and do not share with us. If you ask us to, we will update, correct or delete any data which you give to us.
